

Volunteer Application Form

...We Need You...

Help us nourish the Gifts of God.

Join us & lend a helping hand

OSJS is your own leading voluntary organization registered under Societies Registration Act 1860. It is founded in the year 2007 and till then it is working successfully in the field of **Education, Health, Social-awareness & Environment** in the society. We are working for child labor, child beggars, orphans, handicraft child and poor helpless children who did not go to school or left their education due to economical problem and positive atmosphere. The main objectives of the organization is to work for the overall development of the deprived and disadvantaged communities irrespective of casts, creed and religion so that they may contribute positively and become part of development process. The organization is committed to strengthen their capabilities to improve the quality of life of the people and enhance their ability that would come from education, access of good health services/practices, Agricultural production and active involvement in productive works.
